

**MICROSOFT OEM SYSTEM BUILDER LICENSE**  
(Visit [www.microsoft.com/oem](http://www.microsoft.com/oem) for additional  
**OEM System Builder information or successor  
website provided by Microsoft**)

**1. Definitions**

- a. "Customizer System" means an assembled device, configured for one user at a time, that includes a CPU, a motherboard, a power supply, an internally mounted NAND or revolving magnetic-based hard drive, and a case.
- b. "Distribution" and "Distribute" means when the software, whether preinstalled on a Customer System or in a Pack, leaves your ownership and control.
- c. "OPK" means Microsoft OEM Preinstall Kit providing suites of tools designed to help original equipment manufacturers preinstall Windows operating systems on their hardware products.
- d. "ADK" means The Windows Assessment and Deployment Kit (ADK) is a collection of tools and documentation that you can use to customize and deploy Windows operating systems to new computers and servers made available on <https://dpcenter.microsoft.com/en/Windows/Build/cp-windows-10-build>.
- e. "Pack" means this package, which includes a certificate of authenticity ("COA") including a unique product key for software and may or may not include software media.
- f. "Preinstallation Tools" means the Express Deployment Tool made available to you at <https://www.microsoft.com/oem/en/installation/windows/Pages/index.aspx?fbid=GIcW3RSVJ>
- g. "System Builder" means an original equipment manufacturer, an assembler, a refurbisher, or a software preinstaller that sells the Customer System(s) to a third party.

**2. Authorized Distribution and Acceptance.** To Distribute the software in this Pack, you must be a System Builder and accept this license. You accept this license when you open this Pack. If you choose not to accept this license, promptly return the unopened Pack to your distributor. You may only Distribute unopened Packs within or to the European Economic Area, Croatia and Switzerland. You may only return unopened Packs.

**3. Parties.** Microsoft Ireland Operations Limited ("MIOL"), a company organized under the laws of Ireland, grants this license to you. The terms "we," "our," "us" or "Microsoft" mean MIOL.

**4. Limited License.** If you comply with the terms of

this license, Microsoft grants you a limited license to preinstall and distribute the software. Except as granted in this license, you may not use, run, copy, modify, display, distribute, repackage or reassemble the software. You may not reverse engineer, decompile, or disassemble the software, except to the extent expressly permitted by this license or by applicable law notwithstanding this prohibition. All rights not expressly granted are reserved.

**5. Distribution.**

- a. Software Preinstallation. For each product key for desktop operating system software, you must preinstall one copy of the software on a Customer System prior to Distribution using the OPK. If the software includes more than one language version, you must install only one language version.
- b. Microsoft Software License Terms. You must Distribute the software pursuant to the product license terms ("License Terms") that accompany it. Under the License Terms, you are the licensor.
- c. The "N" versions of the Windows software include the same functions as the corresponding non-"N" versions of the Windows software, except that they do not include Windows Media Player and related technologies. The OPK contains additional information on the impacted functions.

**6. Certificate of Authenticity (COA) Label.** You must affix the COA on the front, top, side or back of the Customer System case. If the Customer System is a laptop or tablet PC, the COA must be affixed directly to the bottom of the Customer System.

**7. End User Support.** You must provide end user support for the software. At a minimum, you will provide commercially reasonable telephone support.

**8. Disclaimer of All Warranties.** The software is licensed "as-is." You bear the risk of using and Distributing the software. Unless required by applicable law, Microsoft gives no express warranties, guarantees or conditions. To the extent permitted under applicable laws, Microsoft excludes the implied warranties or conditions of merchantability, fitness for a particular purpose and non-infringement.

**9. Limitation of Liability.** Your and our total liability for direct damages under this license is limited to 100% of the amount that you actually paid for the Pack. Microsoft disclaims all liability for lost profits, indirect, consequential, incidental, economic, special or punitive damages. The limitations in this section apply to the software, and claims for breach of contract, breach of warranty or condition, strict liability or negligence

or other tort. The limitations also apply even if you are not fully compensated for any losses, or Microsoft knew or should have known about the possibility of damages. You also release Microsoft from all liability in excess of the limits in this provision. This release includes any claim for indemnification or contribution even if such claims arise under local law. The limitations in this section do not apply to your violation of Microsoft intellectual property rights.

**10. Export Restrictions.** The software in this Pack is subject to U.S. and international export laws and regulations. You must comply with all domestic and international export laws and regulations that apply to the software. These laws include restrictions on destinations, end users and end use. See <http://www.microsoft.com/exporting/> for more information.

**11. Anti-Piracy.** You must not engage in the Distribution of pirated software.

**12. Geographic Restrictions.** Some software may be licensed for Distribution only to specific countries and activation of the software must occur in those certain countries. See <http://www.microsoft.com/geo> for details.

You must

- a. preinstall the software only within the geographic boundaries of the country or region identified on the Pack, if listed; and
- b. provide the following or substantially similar notice in a clear and conspicuous manner to end users prior to their acquiring the Software: You are only permitted to activate this software in the specific geographic region where you acquired it. You may not be able to activate the software outside of that region. For further information on geographic restrictions, visit <http://www.microsoft.com/geo>.

**13. Hardware Requirements.** A Customer System must meet the minimum hardware requirements of the software as posted on [https://msdn.microsoft.com/en-us/library/windows/hardware/dn915086\(v=vs.85\).aspx](https://msdn.microsoft.com/en-us/library/windows/hardware/dn915086(v=vs.85).aspx) and must be able to run the software. Microsoft may add new hardware requirements at any time with notice to you. Microsoft may modify the hardware requirements upon no less than 90 days' notice to you.

**14. Processor Requirements.** You may only Distribute the software with a Customer System that meets the processor requirements listed on <https://go.microsoft.com/fwlink/?linkid=847781> (or updated URL). Certain editions of the software may only be properly licensed on devices with specific hardware configurations. Microsoft may add

new processors to the Processor Requirements at any time with notice to you. Microsoft may modify the Processor Requirements no less than 90 days' notice to you.

**15. Compensation.** Unless otherwise authorized by Microsoft, you will not advertise, give a separate price for, or otherwise market or Distribute the software as separate from a Customer System. However, you may compensate end users for software returned to you under the License Terms.

**16. Taxes and Other Charges Excluded.** You are responsible for any taxes, duties, fees, excises or tariffs imposed on any of your activities in connection with this license. You must pay these charges, taxes and other fees.

**17. Severability.** If a court of competent jurisdiction finds any provision of this license to be illegal, invalid or unenforceable, the remaining terms will remain in full force and effect.

**18. Governing Law.** The laws of Ireland govern this license.

**19. UN Convention.** The United Nations Convention on Contracts for the International Sale of Goods does not apply to this license.

**20. Non-exclusivity.** Nothing in this license restricts you from supporting, promoting, distributing, or using non-Microsoft software.

**21. Assignment.** Microsoft may assign this license to an affiliated company at any time.
