INSTRUCTIONS

To designate Customer as a Family Business Entity, please check the box.

Designation of Family Business Entity (Optional)

Accounts are available to nonoperating companies such as partnerships and limited liability companies that may have been created in part for family wealth, estate and investment planning purposes (a "family business entity"). Merrill Lynch permits clients who are members of a "household" to "link" certain household accounts so that the combined value of assets in those accounts is considered for certain fee and interest rate determination purposes, where applicable. A household may consist of an individual, his or her spouse, lineal ancestors or descendants, siblings and spouses of siblings, and any family business entity in which such individual has an interest. An account may belong to only one household.

By checking the box below, the Customer certifies that (a) the Customer is a family business entity; (b) the requested linkage, if any, is consistent with Merrill Lynch's householding rules for family business entities described above; (c) the requested linkage, if any, is authorized under the terms of the document governing the family business entity; and (d) it has been advised to seek legal and tax advice regarding same.

☐ **By checking this box, the Customer acknowledges that it is a Family Business Entity.**

I. BUSINESS ACCOUNT INFORMATION (continued)

Important Information About the Sweep of Cash Balances

You have the option to have cash balances in your WCMA Account automatically deposited in a bank deposit program ("Sweep Program"). The deposit of checks, the sale of securities and other activity will periodically generate cash in your Merrill Lynch account. Typically, this cash is "swept" to bank accounts with Bank of America, N.A., and Bank of America California, N.A. (the "Merrill Lynch Affiliated Banks"), under the Merrill Lynch Bank Deposit Program (the "MLBD Program") or for non-U.S. entities, to the Merrill Lynch Bank and Trust Company (Cayman) Limited ("MLBTC") under the International Bank Variable Rate Deposit Facility where it may earn interest. For details, speak to your financial advisor, or see the Business Investor Account (BIA) Financial Service and Working Capital Management Account (WCMA) Financial Service Account Agreement and Program Description Booklet.

Note: Business Entities that are incorporated/organized outside the U.S. should refer to the Business Investor Account (BIA) Financial Service and Working Capital Management Account (WCMA) Financial Service Account Agreement and Program Description Booklet for details regarding their Sweep Program options or contact their financial advisor.

Deposits held at the Merrill Lynch Affiliated Banks and the MLBTC are financially beneficial to Merrill Lynch and its affiliates. Interest rates paid on deposits are determined at the discretion of the Merrill Lynch Affiliated Banks and MLBTC based on economic and business conditions.

Interest rates for the Merrill Lynch Bank Deposit Program are tiered based on your relationship with Merrill Lynch and Bank of America. For tiering purposes, Bank of America account types include Bank of America Business checking, savings and CDs. Merrill Lynch account types include BIA, WCMA and Business Delaware accounts. Accounts are systematically linked by Tax Identification Number (TIN) and by use of the Master Financial Service (Master WCMA Account and/or WCMA SubAccount). Clients with higher total eligible assets generally receive a higher yield on their bank deposits.

Rates may change daily. Yield information on any deposits held under the MLBD Program or the International Bank Variable Rate Deposit Facility will be included on your account statement. You can also access current yield information on [MyMerrill.com](https://www.merrill.com)® or by contacting your financial advisor.

Deposits in the Merrill Lynch Bank Deposit Program are insured by the Federal Deposit Insurance Corporation ("FDIC") up to a total of the Standard Maximum Deposit Insurance Amount ("SMDIA") per depositor, per ownership category, at each of the Merrill Lynch Affiliated Banks. The SMDIA is \$250,000. Although information about FDIC insurance is available from your financial advisor, it is your responsibility to monitor the total amount of your deposits with the Merrill Lynch Affiliated Banks to determine the extent of insurance coverage available on your deposits. It is important to note that uninvested cash held in more than one WCMA Account may be deposited to the same Merrill Lynch Affiliated Banks. Also, amounts in excess of the applicable FDIC insurance limit may be deposited to the Merrill Lynch Affiliated Banks from the same Merrill Lynch account. Any CDs that you own issued by the Merrill Lynch Affiliated Banks will also count toward the FDIC insurance limits.

Deposits placed within MLBTC are not insured by the FDIC or any other deposit protection program.

The securities and cash that Merrill Lynch holds in your brokerage account are protected by the Securities Investor Protection Corporation ("SIPC"). SIPC does not cover cash on deposit at the Merrill Lynch Affiliated Banks and MLBTC. You may obtain further information about the SIPC, including the SIPC Brochure, via the SIPC's website at www.sipc.org or by calling the SIPC at 202.371.8300. Additional information about linking accounts for higher interest rates, FDIC insurance, the benefits to Merrill Lynch of bank deposits and investment alternatives for your cash balances is available from your financial advisor and will also be included in the written materials you will receive in connection with the establishment of your account. Merrill Lynch reserves the right to offer different cash sweep options for different accounts or clients. You agree that Merrill Lynch may, at its discretion and from time to time, change the cash sweep options upon prior notice.

Important information

- The full range of MLIAP services, strategies and investment solutions and products available under the Program may only be provided by an Advisor who meets certain qualifications and training requirements. Our FSAs and certain Advisors may only recommend to clients investments in managed strategies, either through the MLIAP or MGI with Advisor programs, based on qualifications and our policies.
- Not all FSAs and Advisors are eligible to make available to clients all investment products that we offer in a brokerage account.
- Certain FSAs offer limited brokerage services in a Merrill Advisory Center (MAC) based account. We restrict the opening of new MAC-based brokerage accounts based on our policies.

Important information

This *Summary of Programs and Services* summarizes, for informational purposes only, the type of advice, relationships, investments and nature of the fees associated with the various programs and services available to you. This Summary does not constitute a modification of, or amendment to, the charges, fees and terms set forth in any other account and/or program agreements and disclosures.

MLPF&S is both a full service registered broker-dealer and SEC-registered investment adviser. We offer a wide variety of brokerage and investment advisory products and solutions. We also offer investment advisory programs and services, which include both discretionary and non-discretionary management of your account. For more information about our obligations to you, review our [Client Relationship Summary](https://ml.com/CRS) at ml.com/CRS. Before enrolling in a particular investment advisory program, you should review the applicable program ADV Brochure available at ml.com/relationships.

The Program fee for MLIAP is a customized rate, based on client relationship, up to a maximum rate of 2.0%, plus any fee charged for investment managed strategies selected for an account, if any. Not all managed strategies available in MLIAP have a separate investment manager fee.

Clients seeking trust services may open Trusteed IRA accounts (TIRAs) with Bank of America, N.A. and then enroll in MLIAP and/or BlackRock Sub-advised Strategies to receive certain specialized trust services. Asset-based annual fee rates for Trusteed IRA accounts (TIRAs) enrolled in MLIAP differ due to the differences in the programs, offerings and services.

We also offer investment advisory services through the Merrill Lynch Strategic Portfolio Advisor Service (SPA) for certain investment strategies offered by third-party investment managers that provide discretionary management through a separate agreement.

For the MLIAP, MGI with Advisor and MGI investment advisory programs, you pay an annual asset-based fee for the services under the program and additional expenses, fees and charges apply as provided in the ADV Brochures for the programs. Clients utilizing certain account types for retirement investing, like RCMA IO, are able to access Merrill Edge Advisory Account (MEAA), an investment advisory program that is similar to the MGI with Advisor program in terms of providing access to FSA guidance and to the same set of managed strategies. Talk to your Advisor, an FSA or other Merrill representative for more information.

To learn more about Merrill fees and expenses, including commissions, sales charges and account fees, for a full service Merrill account, see ml.com/explanation-fees and the [Schedule of Miscellaneous Fees](#). Certain commissions may be discounted by your advisor. For fees associated with the Merrill Edge and Merrill Guided Investing programs, see the [Merrill Edge Schedule of Miscellaneous Account and Service Fees](#) and the [Merrill Edge Explanation of Fees](#). For fees and charges for MESD accounts, see merrilledge.com/pricing. Certain clients may qualify for discounted pricing with Preferred Rewards. Certain retirement accounts may receive a fee rebate on certain charges.

Please refer to the [Client Relationship Summary](#) and [Best Interest Disclosure Statement](#) for information about the requirements for investment product inclusion on our platform. Only qualified clients may invest in certain alternative investments.

If you choose to invest in one of the programs offered by MGI or MGI with Advisor or to invest in Merrill Edge Self-Directed after receiving this document, your Advisor will receive compensation based on the value of the account in that program.

BofA Global Research is research produced by BofA Securities, Inc. ("BofAS") and/or one or more of its affiliates. BofAS is a registered broker-dealer, Member SIPC, and wholly owned subsidiary of Bank of America Corporation.
